All ages are welcome.

**Nature journaling Course at library**

CAPE MAY COURT HOUSE — The Cape May County Library invites the public to join Second Nature Journaling Club, presented by Sue Slotterback, at 6 p.m. on the last Thursday of every month beginning Sept. 28 at the Cape May Court House branch, 30 W. Mechanic St.

John Muir, Rachael Carson, Henry David Thoreau and Beatrix Potter were all naturalists who kept journals as a way to continue a curiosity about, carry on a conversation with, and document observations of the wildlife and seasonal patterns around them. We'll be sharing a variety of sketching, painting writing, using creative tools and techniques, inspiring our own nature journals, making our connections to the outdoors ... second nature.

Class size is limited, therefore registration and a valid library card are needed to attend. For additional information, call (609) 463-6386 or visit cmclibrary.org.

Autumn symbolizes prosperity, a time when we reap the bounty of harvest. This month, we will create Asian zucchini pancakes. During this time of year, we have an abundance of squash, and it is fun to experiment with new recipes. We will pair our pancakes with an autumn harvest salad. This meal is dedicated to the energy of the season to bring more abundance into your life. We will learn how to bring the rewards of harvest into every area of our lives.

Class size is limited,
